I hope you are doing well.

Our regulator (the CFTC) is currently considering new rules for prediction markets. The public comment window closes April 30, and thoughtful comments genuinely make a difference.

We'd really appreciate it if you could take a couple of minutes to submit a comment. We've made this super simple, you can do it in about 2 minutes here.

If you're able to help, thank you — it truly means a lot.

Best,
Kalshi Team
